

UNIVERSIDAD DE ALMERÍA

# Reasons to come to Almeria....

for future incoming BHT students!

from an UAL erasmus student in BHT :)

# Welcome to UAL

This is our campus and YES its next to the  
Mediterranean Sea!

# Research at UAL

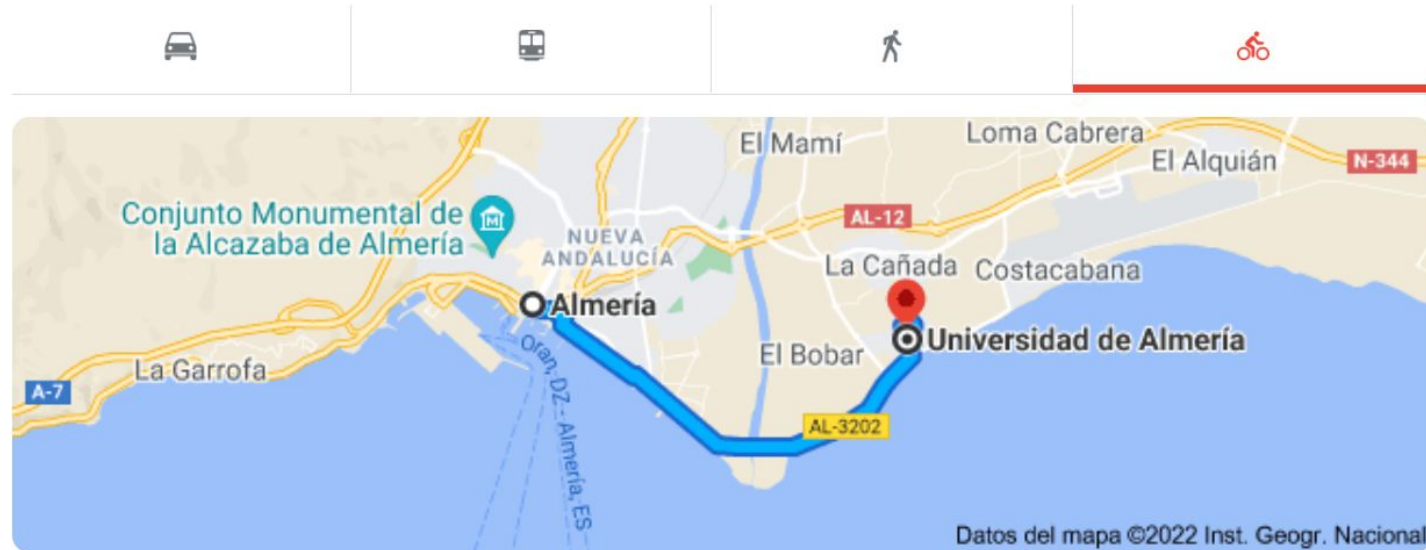

You will meet very nice people to work with!

UAL is making great projects such as research in algae production as food consumption....

Connection by Bus or Bike very convenient,  
with nice sea views ^^

**24 min** (7,5 km) por Av. de Cabo de Gata y AL-3202

Cómo llegar

# The City

And this is our hometown!  
There are a lot of reasons to not stay indoors...

Cabo de Gata

The beach

The Alcazaba is here

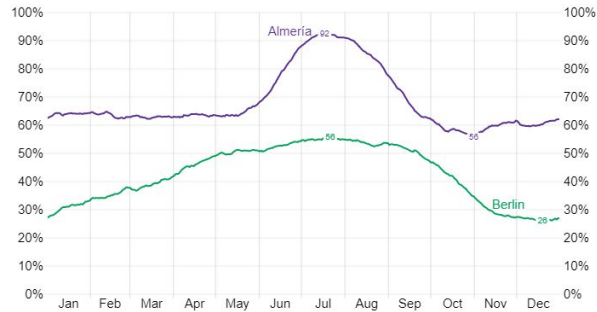

# The Climate

## Temperatures

Almeria min 8°C max 30°C never freezes

One of the regions with more sun hours in Europe.

# Tapeo

Eat cheap in traditional Spanish Bars, and try the jamón serrano

This one is called Casa Puga

# Tapeo on the budget.

Just pay the beer (1,70E) the food is on the house

A lot of destinations nearby!  
Sea, mountain, dessert, forest...

# Intensive Agriculture “el mar de plástico”

Did I forgot to mention  
we are the Garden of  
Europe?  
We provide veggies all  
year round!

# Snowy fields up in the mountains

Sierra Nevada 1h 30  
mins by car!

# Martian Landscapes

Desierto de Tabernas is one of the few deserts in Europe! It's unique landscape makes it a perfect setting for...MOVIES

Ah yes! also we have cowboys

Spaghetti western movies were filmed here  
with figures like Clint Eastwood  
and the decorations are now transformed in  
cultural centers....

Minihollywood  
Western Leone

And more movies....

And movies like Indiana Jones and Conan the Barbarian...

# The Pulpí Geoid

The second biggest  
Geoid in the world....

# Festivities like “la Feria del Mediodía”

Yes we have our own  
fests this one is in  
August! ;)

# Wild beaches

This is in Cabo de Gata  
and it's called Monsul!  
Very characteristic  
because it's rock  
formation!

# “El Playazo”

This is one el Playazo  
but there are many many  
more...

# la isleta del moro

Also you can chill in little fishermen towns throughout the coast and take some fish from the area :)
